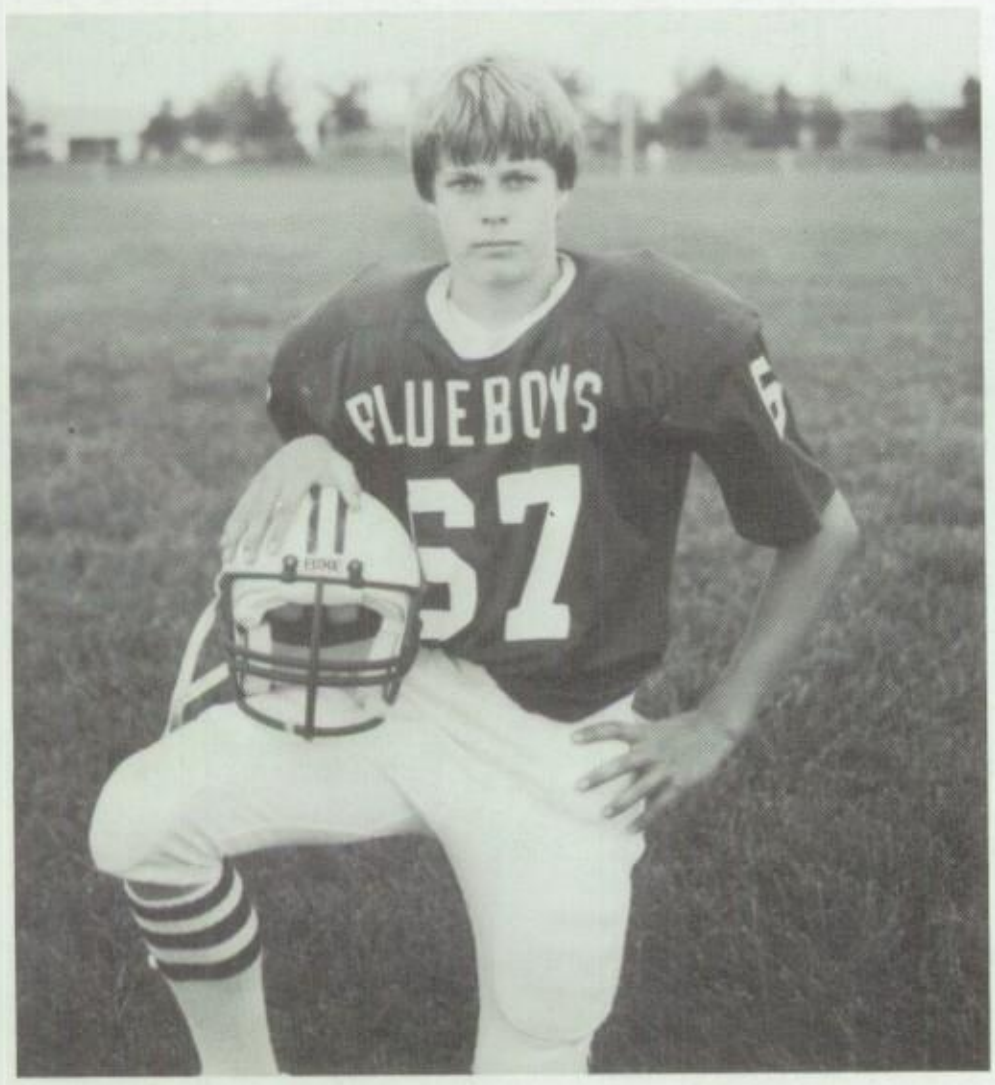
Dedication

Thomas "Scott" Smith
August 8, 1966-October 23, 1982



Dedicated to Thomas Scott Smith

Oh, he was such a great guy,
he'd tell ya his jokes until you'd cry,
And whenever you'd be down and feelin' blue,
he'd fix everything just like new.
Upon on his face, was always a smile,
if a frown ever appeared, it would be just for awhile.
He played football just like a pro,
We will all miss you Scott, it won't be the same, everyone will cherish the sound of your name.

The Class of 86's year started off with everyone looking ahead to the future. All the class members who helped construct the float worked hard and even though our float placed last we had a good time building it.

Our candy sales turned out more successfully than our float. Everyone helped sell and it really paid off!

We are enthusiastically looking forward to the next three years in High School.

SOPHOMORES

"Toddlers"

At the beginning of our Soph. year, the Class of 1985 looked very promising for the year ahead. Class rings were the main attraction this year as in every year, and don't forget our driver's licenses. We also have a lot of very athletic and highly academic people in our class. Beware of us because we plan to make a big come-back in homecoming activities in the next two years. The Class of 1985 has a lot of potential. We are working hard at whatever we do.

To many of us, Scott Smith was a great friend and he always had a smile on his face and he could put one on everyone elses. Scott loved whatever he did and he made the most of his life while he was with us. We seemed to have grown stronger as a class and even though we have had many memories, this year will be one of our most memorable.

JUNIORS

"Kids"

The class of '84 started their Junior year with the magazine subscription sales to raise money for the Junior-Senior Prom to be held on April 29, 1983 at WIU. During Homecoming the Class of '84 once again pulled off first place in the float competition with Pac Man and the slogan "Pac 'em Away Blue." We lost to the Seniors in the annual powder-puff game, but we will rally next year to beat the Class of '85.

Among the Juniors are many athletes who continue competing in sports and make up a good percentage of the varsity teams.

We have had a lot of great times through the year and hope to have many more in our upcoming Senior year and in the future.

The Class of '83, although one of smallest classes Carthage High has ever had with a total of 57 students, has been a competitive class in all aspects. Our Class on the average has a high academic level. In sporting events, we were almost always in the West Central Conference. In other activities, such as the Homecoming float competition, our class was a strong competitor receiving the first place award our Junior year. I would like to think that the Class of '83 along with the help of the faculty have made a good influence on the underclassmen. I want to thank all of the faculty for their guidance and support and to wish my fellow classmates the best of luck in the future.

VARSITY FOOTBALL — This year's Varsity Football record was 6-3. We had eleven seniors that typified the great football tradition that the Carthage Blueboys have. Backed by the dedication, desire, and a non-quitting attitude this year's Varsity improved steadily in all phases of the game. Our defense controlled our destiny in four of our six victories with great defensive stands and making the big play at the right time. Offensively we were led by 1,000 yard rushes, Brett Ripple, with help from a senior cominated offensive line and steadily improving passing attack. In closing I would like to thank the seniors, for they were the backbone of this year's football team ..... Ken Miller: Coach

The 1982 Sophomore Football team experienced happiness with four victories, agony with three losses and sadness with the loss of teammate, Scott Smith. The season has been dedicated to Scott, and we hope that Scott's memory will drive us to greater expectations and help us to live each day to the fullest.

The 29 members of the team comprise one of the larger Soph. teams in Carthage football. There is the potential to be successful, but there remains lot of hard work left for reaching successful status.

Fuzz and I wish you the best of luck in varsity competition.

"Cheers"

We, the Carthage High Cheerleaders started off the 1982-83 season by going to cheerleading camp at I.S.U. during the month of June. We received two blue ribbons, a spirit stick, and a super squad ribbon. We brought home a spirit stick, which is the highest award given. Angie was chosen to be a model in the fashion show, which displayed the 1982-83 cheerleading wear.

We had several money making projects this year, including a cheerleading clinic, selling suntan lotion, Christmas ornaments, and we had several bake sales.

Before the cheerleading season started, Brenda Moore, a Varsity cheerleader, moved to Edina, Missouri. We are happy to say that Brenda made cheerleading at her new school.

One of highlights of the year was our PUNK ROCK pep rally. With our silver hair, neon make-up, and wild clothes, we led the entire student body into a punk rock craze in the middle of the gym floor.

We finished off the year with a dance to Flame Thrower.

We were glad for the chance to cheer the Blue Boys on to a victory during the 1982-83 season.

We thank the spirited fans who helped us in our effort, and a special thanks to our sponsor, Kimi Meyer.

VARSITY BASKETBALL

The varsity team this year finished with a 16-10 overall record and 4-1 conference record. We placed 2nd in the WCC and were eliminated in the semi's of both the County and Regional. The last ten seconds of 4 games kept this from being a great year as we were beaten by Hamilton at :00, Hamilton at :03, Plymouth at :03, and Southeastern at :07. Losing "towers" Rex Geissler and Keith Blair the team will have to make a transition to a running, pressing, team, in the coming years.

The 1982-83 Sophomore basketball team finished the season with a record of 13 wins and 6 losses and a second place finish at the Beardstown Tournament under the supervision of Coach Shumaker. This was one of the finest Sophomore basketball seasons in quite a while. This year's team was not only enjoyable to coach and work with but enjoyable to watch perform. The squad has no superstars but are a group of young men that like playing basketball together and they compliment one another on and off the floor.

Coach Ken Miller

The 1982-83 Freshman basketball team was small in numbers, finished the season with only 6 participants. The team finished with a record of 9 wins and 6 losses while ending the season by winning the consolation trophy at the Central Freshman Tournament. Each player worked hard throughout the season and each succeeded in improving in different facets of the game. This makes the future of Carthage High School basketball look bright.

Volleyball

The 1982 Volleyball Season is hopefully an example of the potential that sport holds at Carthage H.S. With even more hard work and dedication on the part of the team members it will become one of the most exciting sports to observe as well as participate in.

I am very proud to be a part of the Athletic program at C.C.H.S. — because the growth of our students through working together, given more responsibility and the ability to accept a loss as openly as a win so long as they learn from that experience makes all the practices and time spent working with them so invaluable.

Seven Stanzas at Easter

by John Updike

Make no mistake if he rose at all
it was as his body;
if the cells' dissolution did not reverse, the molecules reknit,
  the amino acids rekindle,
the church will fall.

It was not as the flowers,
each soft Spring recurrent;
it was not as his Spirit in the mouths and fuddled eyes of the
  eleven apostles;
it was as his flesh: ours.

The same hinged thumbs and toes,
the same valved heart
that-pierced-died, withered, decayed, and then regathered
  out of his Father's might
new strength to enclose.

Let us not mock God with metaphor,
analogy, sidestepping transcendence;
making of the event a parable, a sign painted in the faded
  credulity of earlier ages:
let us walk through the door.

The stone is rolled back, not papier-maché,
not a stone in a story,
but the vast rock of materiality that in the slow grinding
  of time will eclipse for each of us
the wide light of day.

And if we will have an angel at the tomb,
make it a real angel,
weighty with Max Planck's quanta, vivid with hair, opaque
  in the dawn light, robed in real linen
spun on a definite loom.

Let us not seek to make it less monstrous,
for our own convenience, our own sense of beauty,
lest awakened in one unthinkable hour, we are embarrassed
